Dear Colleagues,

We are truly honoured to invite you to the **1st Mediterranean Meeting on Spinal Deformities**, organized under the auspices of the University of Campania "Luigi Vanvitelli" of Naples, which will be held on March 1st and 2nd, 2024 at the Royal Continental Hotel, overlooking the beautiful Gulf of Naples, one of the most important gateways to the Mediterranean.

The congress, which has received the prestigious patronage of SIOT, AUOT, SICV&GIS and AISOT, will be attended by surgeons and key opinion leaders in the field of spinal surgery from Spain, France, Italy, UK, Tunisia, Egypt, Israel, Greece, Turkey, Lebanon, and Albania.

The congress will be divided in two days, Friday and Saturday, with sessions featuring a lecture per each participating country followed by presentations of complex clinical cases by Italian and foreign surgeons. The program will be completed by parallel nursing sessions and a specialized session on vertebral fragility fractures and treatment of vertebral osteoporosis on Friday, March 1st.

The congress will be a truly unique opportunity for surgeons and healthcare professionals from different geographic and cultural backgrounds to discuss modern treatment of complex spinal deformities.

We look forward to seeing you in Naples!
